

# COMMODORE PERRY SCHOOL DISTRICT

SECTION: PUPILS

TITLE: CLASS RANK

ADOPTED: February 21, 2006

REVISED:

214. CLASS RANK	
1. Purpose	The Board acknowledges the necessity for a system of computing grade point averages and class rank for secondary school students to inform students, parents/guardians and others of their relative academic placement among their peers.
2. Authority	The Board authorizes a system of class rank, by grade point average, for students in grades 9-12. All students shall be ranked together.
3. Guidelines	<p>Class rank shall be computed three (3) times for each graduating class; once at the end of the junior year, at the end of the first semester of the senior year (these rankings will be utilized for all commencement awards), and at the conclusion of the senior year. This last computation determines a student's final rank within the graduating class.</p> <p>Any two (2) or more students whose computed grade point averages are identical shall be given the same rank. The rank of the student who immediately follows a tied position will be determined by the number of students preceding and not by the rank of the proceeding person.</p>
Pol. 216	A student's grade point average and rank in class shall be entered on the student's record and transcripts and shall be subject to Board policy on release of student records.
4. Delegation of Responsibility	The Superintendent or designee shall develop procedures for computing grade point averages and assigning class rank to implement this policy, which shall include a statement of the methods for computation and rank assignment for those to whom a student's grade point average and class rank are released.
